FEATURING: CARA FILLER

Cara Filler is Driven to Inspire. For the last 18 years, Cara has shared her powerful positive leadership and prevention programs with more than 2 million people in 5 countries. She has become one of the most sought after female motivational speakers in her field. She empowers students, teachers, parents and complete strangers to make everyday choices count. Why? Because if it causes just ONE person to care more, speak up and stand out - IT'S ALL WORTH IT!

Cara believes that it is not the events that happen in our lives that make us who we are, but the meaning we give to those events that control the steering wheel of our lives. Come to Winter Energizer to learn from everything Cara has prepared for OASC!
