Use this document to create your personal Board of Directors: a group that will help guide you through hardships, successes, and future endeavors. Think about a diverse group, such as peers, family, teachers, a trusted friend, coaches, community leaders, etc... to work with you to understand your goals, help manage stress, keep you accountable and to inspire you.

\*It's important for your Board of Directors to change and grow as your goals/aspirations/values develop and adjust over time.
