with TOM HEETHUIS

July 22-23, 2019

OASC Invites you to join us for Adviser Institute with leadership expert Tom Heethuis at Western Oregon University. This institute will provide adult leaders, advisers and teachers of leadership an interactive experience to learn new techniques, network with educators from across the state, develop leadership lessons, and acquire the tools necessary to be successful in their journey as an adviser and/or teacher of leadership.

ABOUT TOM

Tom has been involved in advising student activities for more than 40 years. He has been a student council advisor, activity director, leadership camp director and building principal. He is the recipient of the Regional IV Warren E Shull Student Council Advisor of the Year award, Earl Reum Award, and

MASC/MAHS Principal of the Year award.

Tom has conducted advisor workshops at NASC, SASC, NASAA and NAWD conferences; and State Advisor Workshops in Michigan, Minnesota, Illinois, Iowa, Virginia and Connecticut.

Tom's background as a leadership training practitioner give his workshops an emphasis on hands-on, practical leadership activities that participants can take back to their schools and use with their students as soon as they return.
